

SOLIHULL METROPOLITAN BOROUGH COUNCIL

The Metropolitan Borough of Solihull (Brookvale Road and Meadow Grove, Olton) (Total Prohibition of Waiting) Order 2024

Statement of Reasons

Through the Council's established Traffic Regulation Order prioritisation process, Brookvale Road was identified as a priority location in the 2023/24 works programme to be considered for the introduction of new or amended parking restrictions.

In response to local concerns about obstructive parking it is proposed to introduce double yellow lines along the northern side of Brookvale Road from the existing double yellow lines at its junction with Kineton Green Road to the first junction with Brookvale Road. It is also proposed to provide junction protection (double yellow lines) at both of the junctions Brookvale Road and Meadow Grove. This will discourage obstructive parking on the carriageway and footway, which will help to facilitate the free passage of traffic and keep the amenity of the area.

It is recommended that the restrictions are advertised as shown on Plan 9448.
