

SOLIHULL METROPOLITAN BOROUGH COUNCIL

The Metropolitan Borough of Solihull (Union Road, Shirley) (Total Prohibition of Waiting) Order 2024

Statement of Reasons

Through the Council's Traffic Regulation Order Framework process this location was identified as a priority to be considered for the introduction of new or amended parking restrictions.

It is proposed that the existing double yellow lines at this location are extended to the 'Ambulance only parking bay' and that this bay is formalised. This will discourage obstructive parking making it safer for ambulances picking up and dropping off (avoiding danger to persons or traffic) (Preserving or improving the amenities of the area through which the road runs) and will also enable the Council to exercise its Civil Parking Enforcement powers.
