How to find census records by place

www.ancestrylibrary.com - accessible from library computers only

The Ancestry website lets you look through the census records by county and parish, although you can't search by a specific address.

From the Ancestry home page, click on '**UK census collection**' to begin.

This brings up a search page. Scroll down the page and at the bottom of the page you will see a section '**Search a specific UK census by Year**'.

Click on the census you wish to search.
