

Summerfield Education Centre

Relocation of Summerfield Education Centre:

Summerfield Education Centre will be relocating from Auckland House, Auckland Drive, Smith's Wood to the former Daylesford Infant School site on Lyndon Road. The current Summerfield Education Centre site is no longer fit for purpose and the Daylesford site buildings are of a much higher quality.

Summerfield Education Centre is subject to an Academy order to convert to an academy school within the Solihull Academy Multi-Academy Trust. The proposed date for this conversion is 01 May 2022 at the earliest.

Summerfield Education Centre will need to accommodate approximately 35 pupils of secondary school age, being taught in small groups.

In February 2022 the Cabinet Portfolio Holder Children, Education and Skills, approved feasibility work at the Daylesford Infant School site and also gave approval for this period of community engagement for all interested parties.
