

## Using Tags for new issues in Libby

In Libby its possible (and easy) to create alerts for when new issues of magazines you want come out.

### Creating a Smart Tag to be notified of new magazine issues

You can find details of the nearly 350 UK titles and nearly 4000 magazine titles available to borrow from the Libby front page or by clicking on the Magazines page.

Click on the magazine title you are interested in.

**The Economist UK Edition**

The Economist is the premier source for the analysis of world business and current affairs, providing authoritative insight and opinion on international news, world politics, business, finance, science and technology, as well as overviews of cultural trends and regular Special reports on industries and countries.

**The Economist UK Edition**

A new chapter • The Communist Party's obsession with control will make China weaker but more dangerous

The Iceberg Lady • Britain's prime minister wilts in a mess of her own making

Less is more • Europe has not done enough to curtail energy demand and boost the supply of gas

Keep your powder dry • Emerging economies have coped with the rate shock

**Tag**

similar ≈

business & finance 121

news & politics 106

Borrow the magazine and you will be prompted to set a Tag.

If you have already set up the Tag for other titles, you can click on Tag and assign the Tag to this title.

If you have already created a Tag, that one will be offered.

**Notify Me: Series**
