## SEND Peer Review

Solihull local area is preparing for a SEND Peer Review due to take place over 2 days from 17th January 2023.

As part of this process, the review team will meet with a range of professionals from across education, care and health, school staff, parent carers and children and young people to hear their views on SEND.

This will provide leaders in Solihull with an external perspective of what is working well and what needs to improve across the borough and will help to shape future plans. More information on the outcome of this will be shared when available.

Council leaders also have the pleasure of meeting with a number of parent carers at the event organised by SPCV on 25th January and this will be a good opportunity to share key findings and talk to parent carers about what that means going forward.

Thank you
