

SPARKLE UP DAY

2023

Wednesday 15th November

It's that time of year again, time to 'SPARKLE UP' and wear something sparkly, flashy or colourful to raise awareness and funds for OVOS (Our Voice, Our Service) SMBC's Children In Care Council.

OVOS is a service here to support our Looked After Children & Care Experienced Young People to enable and empower their voices to be heard.

To support them to have their say about the service and support to implement changes.

OVOS also wants to make sure we support our young people to have fun, try new things, have adventures and build on their life skills.

The money raised goes towards the trips, activities and opportunities for our young people to make sure they get the best from their time with us.

You can support this campaign by sharing the donation link with your family, friends and teams across the council and sharing your 'SPARKLING' pics on our twitter page [@SolihullYV](https://twitter.com/SolihullYV)

You could also do a bake sale or competition to raise funds for OVOS.

So let us know what you're planning to make OVOS shine this year.

!!!DONATE NOW!!!
