

We are here to help, Monday to Friday.

The people working in the Family Hub will work in partnership with you and your community. They will help you find and get help from different services in the area and will be able to give you information, advice and support.

Family Hubs are open to everyone. You may need to book an appointment to access some services, but there will always be a safe space available for you if you need it.

Alternatively, you call us on 0121 779 1700 or email elmwoodfh@solihull.gov.uk

Please scan the QR to download our new app to see what is on in the hubs each day.

Wherever you live in the borough, you will be able to get help from one of our hub buildings, outreach services and/or digital support.

Who might you meet in the Family Hub?

The people working in the Family Hub will be from the Council, NHS and voluntary partners, all working in partnership with you.

There are diverse services such as Midwives, Health Visitors, Community Nursing, support for children with additional needs, information and advice services such as Citizen's Advice Bureau, music services, activities for children and young people, mental health and welfare support services.

We can connect you to various local community services as needed.

Help with the cost of living.

Family Hubs assist in accessing emergency food, fuel, and toiletries. Contact the Family Hub Team for support in obtaining help from the Council and specialist teams. You can also visit [Here2Help \(solihull.gov.uk\)](https://www.solihull.gov.uk/here2help) or call the Solihull Connect service 0121 704 8001. Each Hub has "warm spaces" for a free hot drink during your visit.
