Fruit and veg net bags

Plastic bags

Cheese, fish and meat wrapping

Bubble wrap and cling film – max 1m sections

Plastic film and sleeves

Pouches

## No Thanks

✘ Small sachets or packets

✘ Balloons

✘ Blister packs, pills or tablets

✘ Disposable gloves/masks

✘ Foam or polystyrene

✘ Plastic straws or cutlery

✘ Compostable or biodegradable bags

# Recycling

As well as soft plastic, you can recycle all of these. For a full list of what can and can't be recycled visit: [solihull.gov.uk/rubbish-and-recycling/recycling-collections](http://solihull.gov.uk/rubbish-and-recycling/recycling-collections)

## Yes Please

Newspapers, magazines and envelopes

Food tins and cans, aerosols and clean foil containers

Cardboard boxes and cardboard

Juice and food cartons

Plastic bottles, containers and food trays

Glass bottles, jars and metal tops

If in doubt check it out online:

# Garden Waste

## Yes Please

Lawn clippings

Prunings, flowers and leaves

Small branches

Windfall fruit, cones, seeds and weeds

### Making the most of your garden waste collections

Do not overfill your green bin. Very heavy bins can cause problems when placed onto the vehicle lift. As a general rule your garden waste bin should be easily moved using one hand.

# Household Waste Recycling Centre

Please note that you must book an appointment to visit the Household Waste Recycling Centre (HWRC). Many items can be taken to the HWRC including items listed below.

## Book a bulky collection

You can book a chargeable bulky collection for larger household items through our website. Find out more or book a collection at: [solihull.gov.uk/Rubbish-and-recycling](http://solihull.gov.uk/Rubbish-and-recycling)

## Small items collections

Did you know that Solihull Council offers a **free collection service** for small electronic and electrical items, as well as clothes and shoes, batteries and paint! For more information about the service and to book a collection visit: [solihull.gov.uk/small-items](http://solihull.gov.uk/small-items)

# What happens to your recycling and waste?

Did you know that all the rubbish and recycling collected from your household is put to good use? Rubbish is turned into energy; recycling is sorted into useful raw material and garden waste is composted. More information can be found at: [solihull.gov.uk/rubbish-and-recycling/what-happens-recycling-waste](https://solihull.gov.uk/rubbish-and-recycling/what-happens-recycling-waste)

## Do the right thing

As a householder you have a duty of care to ensure that you dispose of your rubbish correctly and legally. You can help to do this by following the guidance below, if you need more information, please contact us or check out the information on our website.

- Please make sure your recycling and rubbish containers are put out by 6am on your collection day. The earliest you can put them out is the evening before collection.
- Once emptied, containers should be returned to your property as soon as possible. Please do not leave your containers out on footpaths or roads.
- Only rubbish placed in the containers/ purple sacks provided will be collected. We will not remove rubbish left outside your bin or in black sacks.
- Please help to keep your streets clean by not putting out extra rubbish – leaving rubbish and other items on the street is fly-tipping.

Fly-tipping is illegal, bad for the environment and bad for your local area. To report fly-tipping please visit [solihull.gov.uk/roads-pavements-and-streetcare/Fly-tipping](https://solihull.gov.uk/roads-pavements-and-streetcare/Fly-tipping)
