

SOLIHULL METROPOLITAN BOROUGH COUNCIL

The Metropolitan Borough of Solihull (Dickens Heath Road, Dickens Heath)
(20mph Maximum Speed Limit) Order 2025

Statement of Reasons

Planning approval has been granted for a new private development on the site formally known as Wharf Farm in Dickens Heath. As part of the planning conditions, it is necessary for the existing 20mph speed limit to be extended to encompass the access to the new properties.

Due to the demographic of the highway at this location the speed limit will be extended to the rural side of the canal bridge so that visibility of the speed limit signs is clear.

It is recommended that a Traffic Regulation Order to introduce the revised speed limit as shown on Plan 9623 is advertised and, if no objections received, implemented.
