Let's celebrate!

In July we celebrated the hard work and success of all our Travel Trainers and students they have supported. The Worshipful The Mayor of Solihull, Councillor Stuart Davis presented students with a certificate of excellence for their achievements in learning how to travel independently.

A fantastic time was enjoyed by all with amazing cake!

ITT Best Practice

In November we will be meeting with other travel training teams from around the country in Nottingham! This is a very exciting opportunity to share and learn best practice to improve the lives of students in Solihull and the country.

New Team Member

In July we welcomed Sarah to the team to lead our NEETs travel training project.
