

Have your say about the proposals for Park View Day Centre

We are consulting on a proposal to modernise and transform the services for people with learning disabilities at Bacons End and Park View Day Centres.

The proposal involves the **planned** closure of Bacons End and the creation of local Community Hubs across the Borough.

Your views are very important to us.

Please take time to read the consultation booklet so you have all of the information about the proposal before you complete the questionnaire

Confidentiality

Your responses will be treated as confidential; they will not be passed on to your social worker, care manager, care and support worker or anyone providing you with services. Your answers will not affect the services you receive.
