Dear Charlene,

EXAMINATION OF THE SOLIHULL MBC COMMUNITY INFRASTRUCTURE LEVY CHARGING SCHEDULE - FINAL REPORT

Thank you for your email of 18 December, providing your comments in response to the fact check of the Examiner's report on the Solihull MBC Charging Schedule.

The Examiner has corrected the errors that have arisen and made the amendments to the report where appropriate, and I enclose your final report.

I would appreciate it if you could let me know the date upon which you bring the Charging Schedule into effect. Please also consider if this will have any effect on appeals being considered by the Planning Inspectorate. If so, it would be very helpful if the Council could notify the relevant Case Officer(s) in the Planning Inspectorate dealing with any outstanding appeal(s)

Yours sincerely

Andy Gadsby
