# COMMUNITY INFRASTRUCTURE LEVY MONITORING REPORT 2017/18

In April 2010 new regulations were introduced that allows local authorities to set up a Community Infrastructure Levy (CIL).

CIL is a tariff charged on development, at a locally set rate, to fund infrastructure needs arising from new development in the Borough. This can include transport schemes; flood defences; schools; health & social care facilities; parks & green spaces; cultural & sports facilities.

We introduced our charging schedule on 4<sup>th</sup> July 2016 and in order to ensure the levy is open and transparent, charging authorities must publish a report on the levy on their website by 31st December each year, for the previous financial year. This report covers the period from 01 April 2017 to 31 March 2018. Further information regarding our charging schedule can be found at [www.solihull.gov.uk/cil](http://www.solihull.gov.uk/cil).

## CIL FUNDING SUMMARY

Once CIL receipts are received, the monies are divided into three areas:

- **Strategic CIL** - which is to be spent on items identified in the Council's Regulation 123 list which can be found at [http://www.solihull.gov.uk/Portals/0/Planning/CIL/Regulation\\_123\\_list.pdf](http://www.solihull.gov.uk/Portals/0/Planning/CIL/Regulation_123_list.pdf)
- **Neighbourhood Proportion** – this is passed directly to the Parish Council where the development takes place and can be up to 25% of the total CIL Receipts where a Neighbourhood Plan exists. Parishes without a Neighbourhood Plan will receive 15% (capped at £100 per existing Council Tax Dwelling). Where the Levy is collected in areas without a Parish, monies are held within a Ward allocation, with the responsibility for spending held with the Charging Authority.
- **Administration Expenditure** – up to 5% of all CIL receipts are retained for administration costs for the Levy.

The total CIL receipts in the reported year 2017/18, amounted to £872,794. This includes £698,236 in the CIL Strategic Fund; £130,919 to neighbourhood allocations and £43,639 to be applied to administrative expenses.

The following tables set out the receipts and spending in more detail:
