Subject: Suspension of Solihull CIL examination
Importance: High

Dear Respondent

I am writing to you regarding your representation to the Community Infrastructure Levy (CIL) Draft Charging Schedule. The Draft Charging Schedule was submitted on 27 June 2014 and is now subject to public examination by an independent examiner. Nigel Payne BSC (HONS) DIPTP MRTPI MCMI from the Planning Inspectorate has been appointed to carry out the examination. I am the Programme Officer for the examination and will deal with all administrative matters. I am independent of Solihull Council and work under the direction of the examiner. All correspondence for the examiner should be addressed to me.

The examination has been suspended pending the final outcome of a High Court challenge to the Solihull Local Plan. The examiner set out the reasons for the suspension in his letter to the Council on 4 July 2014. The Council has accepted the suspension. Both letters are attached.

No comments are being invited on the correspondence or the overall position of the examination from respondents at this stage. I will notify you when there are any changes. Updates will also be posted on the examination website www.solihull.gov.uk/cilexamination.

Please do not hesitate to contact me if you have any further queries.

Kind Regards,

Melanie Owen-Roberts
