Hi Emma

Please can you register my opposition to The Uplands and Salter Street developments? This is primarily because:

- The sites are in green belt land.
- Both sites have a history of non-compliance with the planning system and further illegal development is likely to occur if the sites are approved.
- According to information on the "[www.linda4blythe.co.uk](http://www.linda4blythe.co.uk)" website, the families who will be resident in these locations are known to own five properties within the local area and so allocation of pitches to them is unnecessary and potentially takes away pitch allocations from travellers with a greater need.

I also object to the current DPD in general because it will result in an uneven distribution of traveller sites within SMBC.

Thanks for your help.

Kind regards,  
Robert Lowe
