Thank you for keeping me up to speed on the travellers issue.

A Few Dickens Heath residents have already contacted me .
 Some oppose the present unapproved caravans .
 I am happy to go along with approval of existing caravans.

Others ,again only a handful oppose any extension of the site.
 Personally I am not persuaded on the need to develop the site at DH ,and am unsure of the space/facilities to cope with an extension.
 It is true the present occupiers of DH caravans do not appear to cause local problems .

So my , e mail, is to advise that a few residents have asked me to represent their views,

I believe they are personally reluctant to poke their head above the parapet.

Hope this short e mail helps ,maybe you can advise on the adequacy of the site.

Regards
 Brian
