

Hobs Moat Library Celebrates 60 years of public service

1957 - 2017

In honour of this celebration, and to thank staff, customers and everyone who has been involved with, and supported the library from its opening in 1957, the library will be hosting a special coffee morning from 10.00-12 noon on Thursday 18th May 2017.

Visitors to the library will be able to view an exhibition of photographs celebrating our community today alongside a small exhibit from The Moat Players. A celebratory story time will take place for the under 5's at 10.00am. We will be cutting a celebratory birthday cake at 10.55am.

Everyone Welcome
